The amount of dues and member benefits for each membership class may be amended or modified from time to time by the Board of Governors.

They are recognized as “Silver Member” or “Gold Member” in the directory, Hall of Fame program, and press releases.

(d) *Sustaining Membership.* Any contributor of such amount or amounts as may be designated for Sustaining Membership (or categories thereof) shall be entitled to hold or designate a person to hold a Sustaining Membership in this Foundation. ## ARTICLE III GOVERNMENT

**Section 1 The Board of Governors** The property and lawful business of the Foundation (including, but not by way of limitation, the selection of projects to be undertaken by the Foundation) shall be held and managed, respectively, by a Board of Governors, as hereinafter provided. In addition to the powers and authority of these By-Laws and the Articles of Incorporation expressly conferred upon them, the Board of Governors may exercise all such powers of the Foundation and do all such lawful acts and things as are not by statute or by the Articles of Incorporation, or by these By-Laws, directed or required to be exercised or done by the Membership.

**Section 2 Makeup of Board of Governors** The property and affairs of the Foundation shall be managed by no more than twenty five (25) elected Governors composed of the immediate past president and no more than twenty four (24) to be elected from the membership by the Members.

- (a) Adopt, amend, and rescind By-Laws for governing the Foundation;
- (b) Fill vacancies occurring for any reason in the Board of Governors, Officers, or agents of the Foundation, and to designate such powers and duties to the replacements as are deemed appropriate. Any vacancies in the Board of Governors shall be filled by a vote of a majority of the remaining Governors, with the newly elected member to serve for the remainder of the term of the position filled.
- (c) Replace any participating Governor, custodian, or agent; and
- (e) Modify any restrictions or condition on the distribution of funds for any specified purposes or to specified organizations, if in the sole judgment of the Board (without the necessity of the approval of any trustee, custodian or agent), such restriction or condition becomes unnecessary,

incapable of fulfillment, or inconsistent with the purposes for which such funds were granted or the purposes of this Foundation.

**Section 4 Sustaining and Affiliated Advisors** In addition to the elected members of the Board of Governors there shall be Sustaining and Affiliated Advisors to the Board of Governors. One Sustaining Advisor and one Affiliated Advisor shall be appointed by each sustaining or affiliated member of the Foundation. **Section 6 Executive Committee** The Officers of the Foundation, together with as many as three additional members of the Board of Governors, as designated by resolution passed by a majority of the duly elected Board, constitute an Executive Committee who shall possess and exercise the authority of the Board in the management of the business of the Foundation between meetings of the Board. Any action of the Executive Committee must be approved by at least a majority of the duly elected members of the Executive Committee at a meeting or by written consent.

**Section 7 Funds of the Foundation** The Board of Governors shall have full power to invest and reinvest all funds received by the Foundation and to make contributions, distribution, and disbursement of same for the purposes set forth in Article I, Section 2.

**Section 8 Limitation on Expenditures** Notwithstanding the foregoing provisions of Section 6 with respect to a quorum of Governors, an appropriation of funds not in excess of five hundred (\$500) dollars may be made by the President. An appropriation of funds not in excess of one thousand (\$1,000) dollars may be made by the Executive Committee. The Executive Manager shall be the direct representative of the Board of Governors and shall have general authority and responsibility for the operation of the Foundation, subject to supervision and direction of the Board through its Officers and committees. The Executive Manager shall have such powers and duties as are delegated by the Board from time to time and shall be responsible to the Board of Governors for the administration of the Foundation's affairs and business. The Executive Manager may be designated as a non-voting ex-officio member of any or all committees, including the Executive Committee, if designated by the Board. The Executive Committee shall solicit and interview qualified applicants in the event of a vacancy in the position of Executive Manager. The Executive Committee will present the name and qualifications of the proposed replacement for final approval by the Board of Governors.

**Section 11 Removal** A member of the Board of Governors may be removed from office by a majority vote of all the duly elected members of the Board provided that ten (10) days notice of such proposed action is given to all Board members by written, verbal, or electronic communication prior to the Regular or Special meeting at which the removal of a Governor is proposed.

## **ARTICLE IV OFFICERS**

**Section 1 President** The President shall be the Chief Executive Officer of the Foundation. The President shall preside at all meetings of the membership and of the Board of Governors; shall conduct the general and active management of the affairs of the Foundation as specified by the Foundation By-Laws and policies; shall see that all orders and resolutions of the Board are carried into effect; and shall sign and execute all authorized leases, bonds, contracts, or other written agreements in the name of the Foundation. The President shall have the power to do and perform such other duties as from time to time may be assigned by the Board of Governors.

**Section 2 Vice President** In the case of the absence or disability of the President, the duties of that office shall be performed by the Vice President except as may be limited by a vote of the Board of Governors. The First Vice President is the Chair of the Mining Hall of Fame Committee. If there is more than one Vice President, the order of sequence shall be designated by the Board of Governors at the time of election and they shall have such duties and responsibilities as may be conferred upon them by the Board of Governors or delegated to them by the President.

The Secretary shall have the responsibility for maintaining permanent records for the Foundation.

**Section 5 Disability** In case of absence or inability to act of any Officer of the Foundation and of any person herein authorized to act in such Officer's place, the Board of Governors may from time to time delegate the powers or duties of such Officer to any other Officer, or any trustee, or other person whom it may select.

**Section 6 Succession** The Officers of the Foundation shall hold office until their successors are chosen and qualify. Any Officer elected or appointed by the Board of Governors may be removed at any time, with or without cause, by the affirmative vote of a majority of the duly elected Board of Governors.

## **ARTICLE V MEETINGS**

### **Section 1 Meetings of the Membership**

(a) All meetings of the membership shall be held at the principal office of the Foundation in Tucson, Arizona, or at such other place as shall be determined, from time to time, by the Board of Governors, on a date and time to be confirmed by the Board.

(b) The annual meeting of the membership for the election of Governors to succeed those whose terms expire, and for the transaction of such other business as may properly come before the meeting, shall be held in February of each year on a date and time to be confirmed by the Board.

(c) Special meetings of the membership may (when not inconsistent with law or otherwise provided by the Articles of Incorporation), be called upon a written or electronic request for such special meeting, stating a date not less than (five) 5 days from the date of such request, filed with the Secretary when signed by the President, any Vice President, any three Governors or by five members entitled to vote at such meeting. Such written or electronic communication shall state the time and place of the meeting and the objects or questions to be considered by the membership at such special meeting.

(d) Notice of the time and place of the Annual Meeting or of any Special Meeting of the Membership shall be given by the Secretary by written, electronic, or other notice of the same not less than five (5) nor more than sixty (60) days before the date of the meeting, to each member of the Foundation entitled to vote at such meeting and addressed to the member's last known contact address appearing on the books of the Foundation.

(e) A quorum at any Annual or Special Meeting of the Membership shall consist of twenty (20) members entitled to vote at such meeting except as otherwise specially provided by law. Unless otherwise specifically provided in the Articles or the By-Laws, action may be taken by a majority of the members present so long as there are at least fifteen (15) affirmative votes.

(f) At all meetings of the membership, the voting may be a voice vote, but any qualified voter may demand a stop vote, whereupon such stop shall be taken by ballot, each of which shall state the name of the member voting and if such ballot be cast by proxy, it shall state the name of such proxy.

### **Section 2 Meetings of the Board of Governors**

(a) Regular meetings of the Board of Governors may be held without notice at the principal office of the Foundation or at such other place or places as the Board of Governors may from time to time designate. The regular annual meetings of the newly elected Board of Governors shall be held, without notice, immediately after and at the place of the annual membership meeting at which Governors were elected.

(b) Special meetings of the Board of Governors may be called at any time by the President, a Vice President, or by any two elected Governors, to be held at the principal office of the Foundation or at such other place or places as the Governors may from time to time designate.

(c) Notice of a special meeting of the Board of Governors may be given by the Secretary to each Governor with two (2) days notice by written, verbal, or electronic communication.

(d) Standing or temporary committees shall be appointed by the Board of Governors from time to time from its membership and may include others not members of the Board. The President and Executive Manager shall be ex-officio members of all committees. The Board of Governors may, from time to time, invest such committees with such powers as it may see fit, subject to such conditions as it may prescribe.

(e) Nine (9) elected Governors shall constitute a quorum; provided, however, that if less than twelve (12) elected Governors are present at any regular or special meeting, the vote of two-thirds of the members present instead of a majority shall be required for the approval of any matters presented for consideration.

(f) The Governors shall have the right to take any action in the absence of a meeting that they could take at a meeting by obtaining the written or electronic approval of the majority of members of the Board of Governors. Any action so approved shall have the same effect as though taken at a meeting of the Board of Governors or the Executive Committee.

### **Section 3 Nominations and Elections**

(a) At the annual membership meeting of the Foundation, one-third of the Governors, (exclusive of the immediate past president who shall serve for one year) shall be elected to serve for three years and until their successors are elected and qualified.

(b) The Governors shall appoint a Nominating Committee during the last quarter of the calendar year as specified in Article VI Section 3. The Nominating Committee shall identify a proposed slate of candidates to fill the positions on the Board of Governors that will become vacant in the following year. The Chair of the Nominating Committee shall present the proposed slate for approval by the Board of Governors. Upon approval by the Board of Governors, the names of such candidates shall be circulated a minimum of three weeks preceding the annual election of Governors.

(c) The election of Governors shall be by ballot. Ballots provided to the membership by written or electronic methods must be received by the Secretary of the Foundation no later than the time of the closing of the polls in order to be counted.

(d) The candidates receiving the greatest number of votes shall be deemed elected to replace the Governors whose terms have expired.

(e) A vacancy existing among the Governors for any cause other than the expiration of a term may be filled by the Governors themselves for the remainder of the term of the Governor whose resignation or retirement has caused such vacancy.

## **ARTICLE VI Committees**

**Section 1 Authority and Eligibility** The Board of Governors may, by resolution, designate one or more committees of voting members in good standing of the Foundation, for such purposes as the Board may deem necessary to further the objectives and purposes of the Foundation.

**Section 2 Hall of Fame Committee** The Hall of Fame Committee shall consist of not less than 6 voting members in good standing to perform the duties as set forth in Article VII. The Chair

shall be appointed each year by the incoming President of the Foundation from the continuing committee members. The Chair of Hall of Fame Committee holds the position as Vice President of the Board of Governors. Committee membership will serve at the pleasure of the incoming President. In recognition of the fact that familiarity with the history of the mining industry and knowledge of prior deliberation of the Hall of Fame Committee is important, no more than three new members shall be appointed in any year unless such action is required as a result of resignations from the Hall of Fame Committee.

**Section 3 Nominating Committee** The Nominating Committee shall consist of not more than 3 voting members in good standing inclusive of the Committee Chair. The immediate Past President serves as Chair of the Nominating Committee. The Nominating Committee shall identify the number of vacancies on the Board of Governors and select the names of the proposed incoming Governors to be voted upon by the members qualified to vote at the ensuing annual election of Governors. The Nominating Committee shall serve until the proposed slate of incoming Governors is approved by the Board of Governors for presentation for a vote of the membership.

**Section 4 Audit and Finance Committee** The Audit and Finance Committee shall consist of not more than three (3) voting members as selected by the Board of Governors and include the Treasurer as an *ex officio*, non-voting committee member. A summary of the Foundation accounts, income, and expenditures for the previous fiscal year shall be reviewed annually by an Audit and Finance Committee. The Committee shall determine if standard procedures were used to keep the accounts and financial records, there are any discrepancies in the financial records, if there is need for any corrective action, and if the annual summary appears to be accurate and correct. The Chair of the Audit and Finance Committee shall report the results and conclusion of such review to the membership at the annual meeting of the membership. The Audit and Finance Committee shall prepare a forecast of changes of expected income and expenditure for the fiscal year to be delivered to the Board of Governors in first quarter of the fiscal year.

**Section 5 Foresight Committee** The Foresight Committee shall consist of not more than five (5) voting members as selected by the Board of Governors. The Chair of the Foresight Committee is a member of the Board of Governors and shall be selected each year by the President of the Foundation. The Foresight Committee serves as a strategic advisor to the Board to look at long-range events and activities including the Foundation's educational outreach, member recruitment fundraising activities, and other special activities that the Foundation, from time to time, may wish to pursue in accordance with the purposes of Article 1, Section 2.

## **ARTICLE VII THE AMERICAN MINING HALL OF FAME**

**Section 1 Establishment and Purpose** The American Mining Hall of Fame, heretofore established by the Foundation's predecessors in interest, is hereby ratified, affirmed, and continued in force to honor significant contributors to the mining and metallurgical professions.

**Section 2 Eligibility** In order to be considered for nomination to the American Mining Hall of Fame, nominees shall meet the following requirements:

(a) Nominees shall have made a significant contribution to some facet of the mineral or allied industries and may be chosen from industries, i.e. mining companies, equipment manufacturers, research institutions, government, engineering/construction, or education. Significant financiers may be considered although the "nuts and bolts people" (that is, the geologists, mining engineers, mineral processing engineers, and industrialists) should receive highest consideration.

(b) New inductees each year shall be limited to one "Annual Honoree" who shall be a living (active or retired) member of the mineral industries, not more than five "Inductees" constituting deceased members of "Mining's Past", and not more than three awards of a "Medal of Merit," who shall be living persons who have made significant contributions to the mining industry during their lifetimes.

(c) An "Industry Partnership Award" to recognize those individuals, organizations, and entities who have contributed to the success of the mining industry through their efforts in technology, public education or public service.

(d) In order to qualify for induction, the Annual Recipient shall agree to attend the induction ceremony and awards banquet as the featured guest and speaker.

(e) The Hall of Fame Committee may also recommend such other special awards or citations as may be appropriate for recognition consistent with the goals of the Hall of Fame.

### **Section 3 Selection Process**

(a) The Hall of Fame Committee may during any year select an Advisory Board from whatever sources the Hall of Fame Committee may deem appropriate and may include, for example, the managing editors of mining publications or representatives of mining or historical groups. The Hall of Fame Committee shall give consideration to all nominations by the Advisory Board, any nominations by members of the Foundation or nominations generated by members of the Selection Committee.

(b) Recommendations and justification for any nominee(s) living or deceased, will be accepted from any member of the Foundation by the Hall of Fame Committee and must be received by the committee in writing no later than seven (7) months prior to the awards banquet.

(c) The Hall of Fame committee will present a prioritized list of current and past industry leaders and contributors to the Board of Governors for approval as the nominees for the current year no later than five (5) months prior to the awards banquet. A summary of the nominees' accomplishments will accompany the list presented to the Board.

(d) Upon presentation of the prioritized list to the Board of Governors, the Board may approve or revise the prioritized list.

(e) The Hall of Fame Committee will then prepare announcements and biographical materials on the honorees for event circulars, the Foundation web site, and press releases.

**Section 4 Presentation of Awards** The presentation of awards will be made at the Annual American Mining Hall of Fame Awards Banquet. The date of the Banquet shall be announced at least four (4) months prior to the Banquet and, if feasible, shall be held on the Saturday night preceding the annual SME Arizona Conference meeting.

**Section 5 Awards** Each Annual Recipient shall receive an appropriately inscribed award. The Annual Recipient and all Inductees shall be honored with an appropriately inscribed plaque or other suitable display to be permanently placed in the American Mining Hall of Fame located at the Arizona Historical Society Museum in Tucson, Arizona, or at such other location as deemed appropriate by the Board of Governors. The Medals of Merit shall be cast metals with the logo of the Foundation on one side and the date, name of honoree and a designation of a general field of

contribution on the other. The Industry Partnership Award shall be an appropriately inscribed plaque presented to the recipient.

**Section 6 Proceeds of the Awards Banquet** The proceeds of the banquet shall be used to cover the cost and expenses of the Foundation, provided that no member of the Hall of Fame Committee or any member of the Foundation shall receive any compensation other than reimbursement of expenses. Each year, the Board of Governors shall distribute from the funds of the Foundation such amounts as deemed appropriate by the Board of Governors consistent with the stated purposes of the Foundation.

## **ARTICLE VII LIABILITY AND INDEMNIFICATION**

**Section 1 Scope of Indemnification** The Foundation shall indemnify each member and former member of the Governing Board, Trustee, Officer, employee and volunteer of the Foundation to the fullest extent permissible under the laws of the State of Arizona, and may in its discretion purchase insurance ensuring its obligations hereunder or otherwise protecting the persons intended to be protected by this Article VII. The Foundation shall have the right, but shall not be obligated, to indemnify any agent of the Foundation not otherwise covered by this Article VII to the fullest extent permissible under the laws of the State of Arizona.

**Section 2 Savings Clause; Limitation** If any provision of these By-Laws dealing with indemnification shall be invalidated by any court on any ground, then the Foundation shall nevertheless indemnify each party otherwise entitled to indemnification hereunder to the fullest extent permitted by law or any applicable provision of these By-Laws that shall not have been invalidated. Notwithstanding any other provision of these By-Laws, the Foundation shall neither indemnify any person nor purchase any insurance in any manner or to any extent that would jeopardize or be inconsistent with the qualification of the Foundation as an organization described in Section 501(c)(3) of the Internal Revenue Code, as amended or hereafter amended, or that would result in the imposition of any liability under either Section 4941 or Section 4958 of the Internal Revenue Code, as amended or hereafter amended.

The books, records, and papers of the Foundation shall at all times during reasonable business hours be subject to inspection by any voting member upon prior

written request of a minimum of ten (10) business days beforehand to the Secretary. The written request shall state the name of the person(s) making the request and the reason for the request. The request will be reviewed, and permission to review the books, records, or papers of the Foundation will be at the discretion of the President, Secretary, or Treasurer as relevant.

**Section 7 Amendments** These By-Laws may be altered or amended by action of the membership or Board of Governors at any Regular or Special Meeting of the membership in accordance with the provisions of Article V Section 1(f) of these By-Laws, or by the Board of Governors, by a majority vote of the duly elected Board of Governors, at any Regular or Special Meeting, provided that notice of such alteration or amendment has been given to said membership or to said Governors, as the case may be not less than five (5) days prior to said meeting, and PROVIDED FURTHER that no alteration or amendment to these By-Laws shall be made by action of the Board of Governors which shall change the number of Governors or the powers of the Board of Governors without affirmative vote of three quarters of the duly elected members of the Board.
